

In some cases, less can be more. However, other times, more really is more. Such is the case with Brisbane North Institute of TAFE (BNIT). This powerhouse school serves nearly 50,000 students each year. Based in Queensland, BNIT has seven campuses and numerous study options that allow all individuals to get the education they need in a way that fits their lifestyle.

### More Learning Options

BNIT is a large organisation, with learning options that are catered to appeal to students from all walks of life.

**On Campus Courses:** With seven campuses, BNIT clearly can provide educational opportunities for many people in Queensland. Students can attend conventional classes, which have access to BNIT's high quality facilities.
